In consideration of the payment of the premium specified and of the statements contained in the application and **subject to the limits, terms, conditions, provisions, definitions and exclusions herein stated** and subject always to the condition that the Insurer shall be liable only under the section(s) or subsection(s) of the following Insuring Agreements A, A.1, B, and C for which a premium is set out in the Policy or in the Declaration of Automobile Insurance and no other

SECTION A – THIRD PARTY LIABILITY

The Insurer agrees to indemnify the insured against the liability imposed by law upon the insured for loss or damage arising from the use or operation of the automobile as a transportation network automobile and resulting from bodily injury to or the death of any person or damage to property.

- (2) shall reimburse the Insurer, upon demand, in the amount which the Insurer has paid by reason of the provisions of any statute relating to automobile insurance and which the Insurer would not otherwise be liable to pay under the Policy.

SECTION A.1 – DIRECT COMPENSATION FOR PROPERTY DAMAGE

Where section 585.1 of the Insurance Act applies and the loss or damage arises from the use or operation of a transportation network automobile, the Insurer agrees to indemnify the Insured under this section as though the Insured were a third party for loss of or damage to the automobile owned by the Insured, its equipment, and its contents if not carried for reward, and for loss of use of the automobile, equipment and contents in accordance with the Insurance Act and regulations made under the Insurance Act.

For the purposes of this section, use or operation of the automobile as a transportation network automobile means:

- (a) anytime a transportation network driver operating a transportation network automobile is logged onto a transportation network for the purposes of accepting requests for transportation services for compensation from prospective passenger(s); or
- (b) anytime from the moment a transportation network driver operating a transportation network automobile has accepted a ride request through a transportation network, continuing while such transportation network driver is enroute to pick up prospective passenger(s) to provide transportation services for compensation, and ending when the first passenger enters the transportation network automobile or a trip is cancelled whichever is later; or

DEFINITIONS AND INTERPRETATION

For the purpose of this section, with respect to a claim for loss of or damage to the automobile and its equipment, the Insured is the owner of the automobile, and with respect to a claim for loss of or damage to contents, the Insured is the owner of the contents.

The Insurer will pay that portion of the total loss or damage that is equal to the percentage to which the transportation network driver was not at fault for the accident, less any applicable Direct Compensation for Property Damage deductible.

DEDUCTIBLE CLAUSE

Each occurrence causing loss or damage covered under this section shall give rise to a separate claim in respect of which the Insurer's liability shall be limited to the amount of loss or damage in excess of the Direct Compensation for Property Damage deductible, if any, stated in Section A.1 of Item 4 of the Policy or in the Declaration of Automobile Insurance multiplied by the percentage to which the transportation network driver of the automobile was determined **not** at fault for the accident under the regulations. The Insured is not permitted to sue anyone (for instance an at-fault motorist) to recover this deductible. If there is loss of or damage to both the automobile and its contents, the deductible will first be applied to the automobile loss or damage. If there is any remaining deductible, the remainder will be applied to the contents loss or damage. The deductible applies separately to each automobile that is insured.

EXCLUSIONS

The Insurer shall not be liable under this section

- (a) for any amount in excess of coverages referenced in the Insurance Act (Automobile Insurance Subpart) relating to nuclear energy hazards;
- (b) for any claim arising from contamination of property carried in the automobile; or
- (c) for any loss or damage sustained while a transportation network driver operating a transportation network automobile is logged onto a transportation network for the purposes of accepting requests for transportation services for compensation from prospective passenger(s) but has not accepted a request to transport passenger(s) unless the insurer of an owner's policy issued to a transportation network driver or transportation network automobile owner has denied liability for the loss or damage.

See also General Provisions, Definitions, Exclusions and Statutory Conditions of this Policy.

- (a) anytime a transportation network driver operating a transportation network automobile is logged onto a transportation network for the purposes of accepting requests for transportation services for compensation from prospective passenger(s); or
- (b) anytime from the moment a transportation network driver operating a transportation network automobile has accepted a ride request through a transportation network, continuing while such transportation network driver is

For the purposes of this section, use or operation of the automobile as a transportation network automobile means:

- (a) anytime from the moment a transportation network driver operating a transportation network automobile has accepted a ride request through a transportation network, continuing while such transportation network driver is enroute to pick up prospective passenger(s) to provide transportation services for compensation, and ending when the first passenger enters the transportation network automobile or a trip is cancelled whichever is later; or
- (b) anytime from the moment a transportation network driver operating a transportation network automobile has passenger(s) in a transportation network automobile, continuing while such passenger(s) are being transported for compensation, and ending when the last passenger departs from the transportation network automobile.

Where an occurrence causing loss or damage is covered under any subsection of Section C and Section A.1, the deductible under Section C will be the deductible stated in the applicable subsection of Section C of Item 4 of the Policy or in the Declaration of Automobile Insurance multiplied by the percentage to which the transportation network driver of the automobile was determined at-fault for the accident under the regulations.

3. LIMIT OF COVERAGE UNDER THIS ENDORSEMENT

- (a) The Insurer's maximum liability under this endorsement, regardless of the number of eligible claimants, or number of insured persons injured or killed or number of automobiles insured under the policy shall be the amount by which the Limit of Family Protection Coverage exceeds the total of all limits of motor vehicle liability Insurance, or bonds, or cash deposits, or other financial guarantees as required by law in lieu of such Insurance, of the inadequately insured motorist and of any person jointly liable therewith.
- (b) Where this endorsement applies as excess, the Insurer's maximum liability under this endorsement is the amount determined in accordance with paragraph 3(a) less the amounts available to eligible claimants under any first loss Insurance as referred to in paragraph 7 of this endorsement.

4. AMOUNT PAYABLE PER ELIGIBLE CLAIMANT

- (a) The amount payable under this endorsement to any eligible claimant shall be ascertained by determining the amount of damages the eligible claimant is legally entitled to recover from the inadequately insured motorist and deducting from that amount the aggregate of the amounts referred to in paragraph 4(b), but in no event shall the Insurer be obliged to pay any amount in excess of the limit of coverage as determined under paragraph 3 of this endorsement.
- (b) The amount payable under this endorsement to any eligible claimant is excess to any amount actually recovered by the eligible claimant from any source (other than money payable on death under a policy of Insurance) and is excess to any amounts the eligible claimant is entitled to recover (whether such entitlement is pursued or not) from:

In the event that payments are made to eligible claimants under this endorsement prior to the receipt of actual notice of any additional claim, then the limits of this endorsement as referred to in paragraph 3 of this endorsement shall be the amount determined in paragraph 3 less the amounts paid to the prior eligible claimants.

- (e) In determining any amounts an eligible claimant is legally entitled to recover from an Inadequately Insured motorist as defined in paragraph 1(e)(i), no amount shall be included with respect to costs.
- (f) No findings of a Court with respect to issues of quantum or liability are binding on the Insurer unless the Insurer was provided with a reasonable opportunity to participate in those proceedings as a party.
